"REC" BOARD PLANNING FOR FALL EVENTS

The Gettysburg Recreation Board Monday evening made plans for fall activities, turned over to the school board supervision of the annual adult evening education program and decided to hire a policeman to supervise the parking lot and maintain order in connection with the regular Saturday night dances.

Meeting at the recreation office in the local high school, the board adopted "with pleasure" a resolution which in effect turned the supervision of the annual Night School over to the school board. The Recreation Board initiated the night classes a number of years ago as part of the recreation program. Since then the adult night classes have changed from studies concerned with recreation to studies of a more educational aspect and have "about swamped" the recreation director during the period of the classes when he had both those duties and his recreation program simultaneously, members of the board said.

As a result, it was determined that the school board would assume responsibility for the adult night classes. The formal resolution was adopted Monday transferring the activity to the school board.

To Hire Policeman

A letter from Burgess Wilbur Plank was read noting that the borough of Gettysburg had examined its ordinances and found that it could no longer legally hire extra policemen to provide parking lot service for the Saturday night recreation dance. Contemplating the problems posed by a great number of cars in the parking lot and young people coming and going, the board decided to hire a policeman at \$1.40 an hour. The first recreation dance will be held October 1, the board was told.

Recreation Director Lee Raffensperger reported 101 youngsters signed so far for touch football. The number includes 23 from (Continued On Page 3)

TOWN FOLK HAVE 76 PCT. OF TAX PAID

Gettysburg residents have paid \$349,413.03 on their 1960 tax bill so far, Tax Collector J. Herbert Weikert announced today.

The amount is slightly over 76 per cent of the total tax of \$458,864.02.

According to the report, borough residents have paid most of their borough, county, institution district and personal property tax but still owe about one-third of their school tax.

A rush of tax dollars is anticipated during the latter part of this month as borough residents seek to avoid penalties placed on late tax paying.

Penalties Coming

Borough, county, institution district and personal property taxes are at par now and a five per cent penalty will be levied on those paid after September 30.

A two per cent abatement will be paid on school taxes up to September 30. The school taxes will be at par October 1 to November 30 and the five per cent penalty will be added to those taxes after November 30.

The report shows only \$7,510.60 still owing on the borough's \$87,215.02 levy; \$3,303.05 owing on the county's tax of \$38,646.28; \$1,898.27 still owed on the institution district's \$19,333.65 levy and those owing \$18,791.35 tax on stocks, bond mortgages, etc., that they own have paid off all but \$391.27 of the four mill personal property tax.

The school boards levy is \$294,877.72. Gettysburg have paid off \$198,529.92 of that tax and still owe \$96,347.80.

Plan Inquest In Mrs. Riley Death

Dr. C. G. Crist, Adams County coroner, Monday named a jury to conduct an inquest into the accident which resulted Sunday in the death of the Warner Hospital of Mrs. Reba E. Riley, 50, Gardner R. 2. Mrs. Riley had been a patient at the hospital since the accident last February 25.

The crash occurred near the county jail on the Biglerville Rd. which was made slippery by a covering of ice and snow. Although Mrs. Riley suffered a broken neck in the crash, an autopsy Monday showed a traumatic epilepsy as the immediate cause of death.

The inquest will be conducted Friday afternoon at 4 o'clock at the court house by the county coroner.

Concert Drive Launched Here Monday Night

(See Photographs Page 4)

The annual membership campaign of the Gettysburg Concert Association got off to an enthusiastic start at a "kick-off" dinner in the Hotel Gettysburg Monday evening. The 43 captains and volunteers, pleased with the selection of Elisabeth Schwarzkopf, operatic soprano, and the internationally famous Danish quartet, are confident of enrolling the largest membership in the history of the organization.

Dr. Jacob W. Heikkinen, president of the association, presided at the dinner and presented guests at the speaker's table including Robert Geisinger, representative of the Columbia Community Concerts Association, of New York City.

Asks Early Reports

David Bushman, chairman of the membership campaign, introduced the various captains who in turn introduced their volunteers. He announced the selection of the two concerts and expressed the hope that the volunteers will present their reports as "early as possible." He said that waiting until Saturday to report presents a problem in "extended office work." He said that no single tickets will be sold. All memberships embrace the three concerts. He urged volunteers to be careful in filling out the cards to be certain of getting the names spelled correctly together with the addresses. The board will meet Sunday to select the third artist. Robert Geisinger congratulated the group on "a well organized unit and I am confident you will have a successful campaign. Don't be discouraged when you encounter members who withdraw. You will meet a great many other new members in your visits. I would suggest that you make an effort to enroll two new members for each old member who withdraws."

He said that the local association is not limited to artists from Columbia but is privileged to select any artist on tour in this country "provided we are advised not later than Wednesday morning so that we have an opportunity to confer with them as to available dates."

A recording of three German songs by Miss Schwarzkopf was played for the group. It was announced that the Gettysburg unit has reciprocal agreements with Chambersburg, Waynesboro, Frederick and Ickesburg associations.

Membership headquarters are maintained in the Hotel Gettysburg lobby all week through Saturday for the convenience of those who wish to join. The telephone number is EDgewood 4-2708.

Training Session On September 27

The first leader training session for the extension homemaker program will be held September 27 at 10 a.m. in the Arentsville Bank social room. Discussion will center on making dried and green wreaths with Mrs. Lynn B. Smith, floriculturist from Penn State, acting as the leader. Members are instructed to bring two coat hangers, styrofoam, eight or nine-inch wreath base, wire cutter and pruning shears, a variety of greens that may include pine, spruce, arbutus, juniper or laurel; Della-robba wreath materials and two spoons of soft fine wire or very strong cord.

Attorney Heads Gift Committee

Atty. S. M. Raffensperger will head the special gifts committee of the annual Gettysburg Community Chest campaign, Chairman Paul B. Fox announced today.

Attorney Raffensperger and his committee will meet this evening at 8 o'clock at the Hotel Gettysburg to outline plans for the "special gifts" drive and to adopt a quota.

The goal for the annual drive is \$28,300. The "door-to-door" canvass will begin October 3.

PRO FOOTBALL IS SUBJECT FOR ROTARY CLUB

The story of the Baltimore Colts and professional football generally was presented by Herb Wright, publicity director of the Colts, in a talk at Monday evening's meeting of Rotary at the YWCA.

Termining the Colts "as good as last year and the year before," he described the players and their participation in various games over the years, described other teams in the National Football League and declared "they are all good."

A total of 45,600 season tickets have been sold for this year by the Colts while the remainder of the tickets were withheld "so the fellow who can't afford a season ticket but who can see an occasional game will have a chance to do it."

Tells About Chest Plans

There are fewer major injuries to professional football players, he said in response to a question, because "the men have the best equipment available, are in better condition and have more skill to handle themselves."

Paul B. Fox outlined to the Rotarians the plans for the forthcoming Community Chest Drive and said that this year there will be no joint meeting of the service clubs opening the campaign, nor will the service clubs be called upon as groups to furnish men as solicitors.

Clifford B. Snowberger urged purchase of Booster Club memberships and urged support of the local high school football team. The vice president, Dr. Richard Newsham, announced that Bruce Boneau of the faculty of Gettysburg College will speak next Monday night in the first of two meetings on the political situation. One meeting will be devoted to consideration of the Democratic side of the campaign, the other to the Republican side.

President William Lentz presided with 50 present.

The local chapter of the Daughters of the American Revolution today called on all Americans to observe Constitution Week this week. The observance marks the birth of a concept never before adopted by any people as their governmental philosophy.

"The framers of the Constitution," says the DAR, "believed that all powers of sovereignty should forever reside in the people and that the government they were about to establish should be a limited government subject always to the will of the people. They sought to create a government which also would incorporate such checks and balances as would insure that all public officials should forever remain subservient to the will of the people."

"The personal rights, opportunities and freedom of the individual were foremost in the minds of the founders of this nation as they set out to build a structure of lasting government. Their immortal work, the Constitution of the United States of America, was brought forth after long periods of bitter and eloquent debates. This marvelous document was built around three main concepts of freedom, namely, religious, political and economic. Their belief in God was the foundation of the religious concept. A constitutional republic (not a democracy), guaranteeing political rights and establishing obligations was the foundation of the political concept. A free enterprise profit-motive system based on private ownership of property constituted the economic concept."

"May we, the Daughters of the American Revolution, the heirs of these enlightened framers of the Constitution, be on guard to prevent the rapid centralization of power in our government which is the last step preceding national decay. Let us rededicate ourselves anew to an adherence to the principles embodied in the Declaration of Independence, in the Federal Constitution and an abiding faith in God."

Castro Angry Over Hotel Treatment; Takes Entire Gang Of Goons To Harlem

By HAL MCCLURE

NEW YORK (AP) — An angry Fidel Castro, complaining of tight security restrictions and room rates, stalked out of his hotel Monday night and moved into the heart of Harlem.

The familiar cry of "Cuba si, Yankee no" roared from a crowd of 1,000 as the Cuban prime minister moved into new quarters at the Hotel Theresa.

The bearded Castro, clad in battle green fatigues, waved his arms and smiled at his supporters in sharp contrast to his earlier mood of apparent rage.

Hotel Bill Jumps

The move to Harlem apparently jumped the daily hotel bill from \$400 to \$700 for the Castro entourage of almost 90 persons.

Love Woods, Negro owner of the Hotel Theresa, said a Castro representative paid \$700 in cash for the first day.

Castro, here to attend the United Nations General Assembly session, also took a complaint of "dis-

courtesy" and "brusque police methods" to U.S. Secretary-General Dag Hammarskjöld.

The switch in hotels came after Castro assailed the management of the Hotel Shelburne in midtown Manhattan over room prices and treatment and after he threatened:

"Mountain People"

1. To camp in Central Park.
2. To set up tents on U.N. grounds.

"We are mountain people," stormed Castro. "We are used to sleeping in the open air."

"Purely propaganda," snorted the Shelburne's owner, Edward Spatz.

In Havana, Castro's brother, Raul, took to the air and addressed a rally to tell the Cuban people of alleged discourtesy to their leader in New York.

Castro has been restricted to the 22-square miles of Manhattan during his U.N. stay — for security reasons.

Undaunted Khrushchev May Try To Steal Show When Assembly Session Opens

NEW YORK (AP)—Soviet Premier Nikita S. Khrushchev suddenly left his residence today to visit Cuban Prime Minister Fidel Castro.

The Soviet leader's move came without warning. He traveled in a motorcade to the Hotel Theresa in Harlem, about four miles from the Soviet delegation residence on Park Ave.

By RELMAN MORIN

UNITED NATIONS, N.Y. (AP)—Soviet Premier Nikita Khrushchev, undaunted by a stunning setback in the U. N. Congo debate, seemed likely today to make an appearance at the ceremonial opening of a historic General Assembly session. He might even try to steal the show.

Soviet officials at their delegation headquarters in New York would give no hint of the Soviet Premier's plans. But at the U. N., diplomatic sources considered it highly improbable that Khrushchev would pass up the opportunity to make an appearance in advance of the speech scheduled Thursday by President Eisenhower.

Most of all, the eyes of the world were focussed upon the clash of the giants, the United States and the Soviet Union, bidding for the allegiance of uncommitted nations of the world.

"Fantasy Of Foods" Fete Will Open Next Tuesday

Practical lessons on food preparation and menu-planning will be excitingly garnished with whimsical fun and entertainment during the three-day "Fantasy of Foods" cooking school which opens in the Gettysburg High School auditorium next Tuesday evening at 7:30 p.m.

The preparation of some 30 recipes by two professional home economists during the three days of the school may at times seem almost magical. The almost unbelievable precision and split-second timing between the back-stage kitchen could well lead to the conclusion that some elfen helpers were assisting with the process. Adding to the dream-

world atmosphere will be the pixie costumes worn by the pages who will assist the home economists.

Homemakers attending the cooking sessions will find, however, that the kitchen magic they watch on the stage is the kind of magic they can practice in their own homes because the home economists will present step-by-step instructions and easy-to-understand information about each recipe and each food product. Conducting the school will be Miss Constance Weiser and Miss Mary Metag, both of whom are members of the field staff of the Homemakers' Service Department of the National Livestock and Meat Board.

LOCAL LIONS SELL BROOMS MONDAY NIGHT

Twenty-five teams of Gettysburg Lions set out at 7 o'clock Monday evening to sell 600 brooms and reports this morning showed that they have come close to their goal. Some teams had not reported but Club Treasurer J. Herbert Weikert said reports to him showed 490 brooms sold during the evening.

Each team was given 24 brooms secured from the York Blind Center and started ringing doorbells in all parts of the town offering the brooms at \$1.75 each. Not everyone bought brooms but some made donations to the Lions' Charity fund which is to get all the proceeds from the sale of the brooms.

Donations reported to Treasurer Weikert Monday evening totaled \$14.50. The largest was \$5 and the amounts ranged down to 25 cents.

President Richard A. Folkenroth presided at the club's brief dinner meeting at the VFW home before the broom sale. He announced the club will sell tickets for the concert here by the Pittsburgh Symphony Orchestra next month with the club to receive a share of the ticket money for its Charity fund.

Program Chairman Sterling Musselman announced plans for the local Lions and their ladies to go to Allenberry next Monday for dinner and a play.

ABBOTTSTOWN PAIR JAILED FOR BURGLARY

Two Abbottstown R. 1 men were placed in the county jail Monday evening charged with burglary and larceny of the Hanover Country Club and the Hanover Building Supply.

At the same time, police, in arresting Robert Arthur Imier, 22, and Gary Ernest Becker, 21, both of Abbottstown R. 1, said charges of participation in the burglary will be filed also against Robert Topper, 20, Hanover, currently in the York County jail on a charge of burglary of Sterner's Store in Pennville, and against an unidentified 17-year-old youth who will be brought before juvenile authorities.

State police and Abbottstown Chief of Police John Bechtel, who conducted the investigation, said a radio and \$27 in cash were taken from the Hanover Building Supply Co. on August 16 and equipment and cash totaling \$550 were removed from the professional shop at the Hanover Country Club on August 17.

Among items taken from the pro shop was an all leather golf bag valued at \$55 which police said has been recovered along with some sweaters and other equipment taken from the country club.

The charges against Becker and Imier were placed before Justice of the Peace Robert P. Snyder here. The charge against Topper will be placed in York County, local state police said.

\$1,000 Accident At Heidlersburg

Efforts of Norman J. Block, 42, Brooklyn, N. Y., to avoid another car crossing his path in Heidlersburg resulted in a collision with a pole and \$1,000 damage Monday afternoon at 4 o'clock.

State police said Block was driving south when he came over the hill at Heidlersburg and saw another car crossing the Gettysburg-Harrisburg Rd.

Block sought to brake and his sedan skidded off the road into a United Telephone Co. pole.

No one was injured and the car crossing the highway was not hit. This was the second crash at that crossing in two days.

KIWANIS CLUB IS TOLD ABOUT YOUTH REPORT

Members of the Gettysburg Kiwanis Club were urged to study the state report of the White House Conference on Children and Youth Monday evening in an address by Attorney John A. MacPhail, who attended the White House Conference last spring as chairman of the Adams County Committee on Children and Youth.

Mr. MacPhail asked that special attention be paid to the recommendations in the state report. He reported that the outstanding points of the report have to do with the integrity of youth, the dignity of toil, the dignity of the individual and respect for the laws of society.

The speaker said: "Youth seeks a basis on which to formulate a code of conduct and such a basis must be provided by the home, the church and the school. Youth wants to be respected but above all to respect adults who must set an example through belief in God and worship in our churches."

Club Activities Planned

Mr. MacPhail reviewed the background of the White House Conference which was assembled first by Theodore Roosevelt in 1908 as a fact-finding body to create adult interest in youth activities. Its theme has always been child and youth welfare, he said. He described how county and state reports for the conference are prepared and assembled and said the county report for the last 10 years is available now. He raised the question of whether U.S. citizens have "done enough" in the past with facts and recommendations developed at these conferences.

President William Ditzler presided at the meeting which was held at the Lamp Post tea room.

Plans were completed for the Kids Day peanut sale to be conducted Saturday by the Kiwanis Club members and it was announced that the Kiwanians will be selling tickets for the forthcoming concert by the Pittsburgh Symphony Orchestra in Gettysburg.

The new Gettysburg recreation director, Lee Raffensperger, was a guest at the meeting.

SCHOOL POLICE WILL BE NAMED

With special borough police no longer available for duty in handling traffic and crowds at football games and other school events that involve the public in large numbers, the joint school committee of the Gettysburg Joint School Board Monday evening authorized the creation of a group of school policemen.

The school policemen will be chosen and employed under provisions of the state school code with Superintendent H. Edgar Riegle in charge of creating the staff of policemen who would be used on school property and either by the school district or the athletic council.

The number of school policemen to be named was not specified. They are expected to assume their duties after October 1. Some of the persons now guarding pupils at elementary school crossings also may be designated as school police, it was indicated Monday evening.

The committee turned down a request from a high school teacher for an indefinite leave of absence to permit him to accept temporary employment in a field related to his school subject matter.

Chairman Ralph W. Guise presided at the meeting.

HOLD OGDEN RITES

Funeral services for Charles F. Ogden, 69, Bendersville, who died Saturday evening in the Carlisle Hospital, were held this afternoon at the Dugan Funeral Home, Bendersville, with his pastor, Rev. Norman L. Marden, officiating. Burial was in Flob's Methodist Church Cemetery. Pallbearers were Gene Howe, Red Showers, Harry Miller, Donald Rudisill, Larry Wright Jr. and Archie Guise.

EARLY TOTALS GIVE GOP IN ADAMS MARGIN OF 897 VOTERS

The Republicans registered 30 more voters than the Democrats during the period ending Monday evening, Commissioners' Clerk Ray J. Snyder reported this morning.

Tentative figures show 1,227 Republicans and 1,197 Democrats registered since the voter list opened following the primary.

Figures remain tentative until a complete check of the new registrations against old registrations to determine whether some may have inadvertently registered a second time. Normally about a half dozen such duplicates are discovered, thus reducing the number of new registrants.

The tentative figures show the county now has 24,094 voters.

The number includes 12,311 Republicans, 11,414 Democrats and 369 nonpartisan voters. The list of nonpartisans gained by 90 during the recent registration period.

Three hundred sixty-eight persons signed as voters Monday, the last day registrants could be accepted prior to the general election. Of that number 178 were Republicans, 171 Democrats and 19 nonpartisans.

GUARDSMEN WILL GO TO GAP OCT. 22

The local National Guard officers will be in charge of the 1,000-inch range for firing of the M-1 rifle during training to be held at Indian Gap October 22 and 23, Capt. Donald E. Doersom, commanding officer of the local battery, announced at its drill in the armory here Monday evening.

Firing on the range will be for familiarization with the weapon and will be part of a wide range of training given the various units during the weekend.

Training at the drill held by the Howitzer Battery, 2nd Reconnaissance Squadron, 104th Armored Cavalry Monday evening was based on land mine warfare with Lt. James A. Orndorff and Sgt. Thomas Hemler as instructors.

The first hour was spent on the general instruction on firing devices and inner mines. The second hour dealt with arming and disarming mines and boobytraps. Lt. Orndorff, who is serving as battery recruiting officer, said 13 men are still needed to bring the unit to full strength. Two applicants were interviewed Monday night. Others interested are asked to contact Lt. Orndorff any Monday or Tuesday night at the local armory.

Red Cross Renews Appeal For Gifts

The Adams County Red Cross today renewed its appeal for cash donations for the relief of persons in the area ravaged by Hurricane Donna. Checks should be made payable to the American Red Cross and should be identified as donations toward hurricane relief work, Mrs. Peggy P. Hill, chapter secretary, said. The checks or cash should be sent to the county chapter office on Baltimore St.

The national Red Cross reports hundreds of homes have been destroyed and thousands of others badly damaged. More than 13,000 turned to the Red Cross for shelter and food in the hurricane area while property damaged has approached the \$100,000,000 mark.

The chapter makes reports to National Red Cross each Thursday on donations received for the hurricane relief project.

Riding Club To Meet Here Tonight

The Gettysburg Riding Club will meet this evening at 8 o'clock at the engine house, E. Middle St. Leroy H. Winebrenner said the cards used by Stuart Raub, Lancaster, judge at the recent South Mountain Fair horse show, will be brought to the meeting for study by the members "and all others who wish to attend."

The cards contain a listing of the faults of the participant showing why each rider placed as he did. Winebrenner said a "study of the cards will help all of those who were in the competition by showing them their faults which prevented their placing higher."

REDS MUM ON ATTENDANCE, U. N. OPENING

NEW YORK (AP)—Shrugs and silence were the only answers today to inquiries whether Soviet Premier Nikita Khrushchev would attend the United Nations General Assembly opening session.

A press attache turned aside all questions about the Soviet delegation and the premier's activities.

It was originally believed that Khrushchev would attend the meeting, but U. S. State Department representatives said they know of no such plans.

Khrushchev is staying at the Park Avenue headquarters of the Soviet U. N. delegation.

Several persons entered and left the building during the early morning hours. At 9:30 a. m., grim-faced Valerian A. Zorin, Soviet ambassador to the U. N., arrived and hastened inside.

Policemen stood guard around the quiet premises—in contrast to noisy and arrest-punctuated demonstrations Monday night.

One man was forcibly subdued by police when he reportedly refused to get rid of a metal bar to which a picket sign was attached. The sign read: "Khrushchev is a murderer — down with communism."

Bars and sticks on picket signs were barred by police, on the ground that they could be used as weapons.

A jeering crowd of Hungarian refugees also gathered in the vicinity. They called out "Khrushchev is a fat Red rat" and "K is a killer." The crowd swelled to about 300 before the demonstration ended.

At one point Khrushchev indicated he wasn't a bit ruffled by the shouts and demonstrations. He and Soviet Foreign Minister Andrei A. Gromyko had stepped from the U. N. mission headquarters to escort Czechoslovakian and Polish officials to their cars.

There came derogatory yells from demonstrators across the street. Khrushchev turned to Gromyko and said in Russian: "Let them shout more. Let them shout. It's good for their throats."

BUSINESS IS GIVEN AWAY

Mahlon N. Haines, 85, giving up active participation in the enterprise he founded, Monday announced the gift of his entire shoe business, valued at around \$350,000, to his 28 employees to become effective on Wednesday.

The gift includes the Haines Shoe Company wholesale business and its building in York; a building containing a shoe store and apartments in Columbia; the Haines Shoe House, built in the form of a man's shoe, in Hellam Twp., and 20 retail stores in rented buildings throughout Pennsylvania and Maryland.

York's 85-year-old "shoe wizard," in announcing the new gift, noted that about one-third of the stock in the business was turned over to its employees several years ago and that the move to become effective will complete the gift.

The company authorized capitalization consists of 260 voting shares and 2,300 nonvoting shares, all of \$100 par value but with an estimated book value of about \$137 each.

13 Sheep Killed By Dogs; Owner Repaid

A quick telephone call by Leo Riley, Gettysburg R. D., led to discovery of two dogs which killed 13 sheep owned by Riley and resulted in his being repaid the \$325 value of the animals. Dog Law Enforcement officer James McDowell reported today, McDowell said Riley saw two dogs killing the last of 13 sheep on his farm, then immediately called the dog law enforcement officer. When the two arrived at the home of the dogs within a few hours of the killing McDowell was able to prove that the two canines had been the ones which had slaughtered the sheep. He said that any such call must be made within 24 hours if regurgitation is to disclose whether the dogs were the actual ones which killed the sheep—or other animals which they may have slaughtered.

SEEK YOUTH IN SLAYING OF GIRL'S MOTHER

CORNWELLS HEIGHTS, Pa. (AP)—Police today sought Bernard S. Dick, 19, of Bellows Falls, Vt., for questioning in connection with the fatal beating of his fiancée's mother.

Mrs. Hannah Sullivan, 43, was found in the basement of her home Monday.

Police Chief William F. Riemp of nearby Bensalem Township said Robert F. Barnes, a brother of the victim, saw Dick running from the house shortly before the body was discovered.

Roadblocks were set up in eastern Pennsylvania and New Jersey and a 13-state alarm was out for Dick.

Police dispatcher Ted Zajac said several hours after the slaying that officers still were puzzled for a motive.

Engaged To Daughter

Officers said they were told that Dick recently became engaged to Mrs. Sullivan's daughter, Nancy, 19. They said he had been living at the Sullivan home for about a month.

Riemp said he believed Mrs. Sullivan was killed by a bloody claw hammer he found lying on a box under the basement stairs. He said there were signs a struggle had taken place in the kitchen.

Riemp found the body at the foot of the basement stairs. He theorized she had been dragged down the stairs by her hair.

Mrs. Elsie Thorpe, a neighbor of the Sullivans, said Virginia Sullivan, 11, had been playing with her daughter, Nancy, 9, and was sent home for dinner. Mrs. Thorpe said Virginia returned to the Thorpe home moments later crying: "They're screaming and fighting. I'm afraid for my mother."

STOCKS GROPE FOR SUPPORT

NEW YORK (AP)—The stock market struggled to find support early this afternoon, backing down irregularly while some big losers regained ground. Trading was active.

The Associated Press average of 60 stocks at noon was down .70 to 209.70 with the industrials off .90, the rails off .50 and the utilities off .40.

Amid a wide scattering of gains, key stocks showed a plurality of losses running from fractions to about a point. Some of the higher-priced stocks which fell sharply in Monday's selloff recouped a number of points.

The smashing of the 1960 support zone — represented by the lows of March, May and July — meant that the market must form a new base at a lower level, analysts said. The list was groping for this today.

Brokers said quite a number of key stocks apparently looked cheap enough to attract buyers while other issues continued to slide. Some of the leading steels, autos, electrical equipments, utilities and building material issues posted small plus signs. Others in the same groups retreated.

Hanover Farms Appeal To Court

HARRISBURG (AP)—Hanover Shoe Farms Inc., breeder of harness race horses, has asked Dauphin County Court to prevent the state from levying the sales and use tax on stud fees.

The state claims the York County farms, one of the nation's leading breeders of standardbred horses, owe \$27,337 in taxes, penalties and interest for the period between March 7, 1956, and Sept. 30, 1958.

The State Board of Finance and Revenue recently refused to rule in Hanover's favor. Monday's action in Dauphin County Court is an appeal from that decision.

Atty. John M. Smith, Hanover counsel, said the firm was incorporated as a breeder, seller and trainer of horses. He said the sales tax law exempts farm products and domestic animals.

Moon To Eclipse Sun At 4:09 P.M.

NEW YORK (AP)—The moon will partly eclipse the sun today beginning at 4:09 p.m. EST. Maximum coverage of the sun will occur at 5:59 p.m.

The American Museum-Hayden Planetarium said peak obscuration will occur over Baffin Island, Canada, where 61.4 per cent of the sun will be covered.

In the United States, the beginning of the eclipse may be seen just before sunset from positions along a line running from eastern Lake Erie to Mobile Bay. In most central states, the sun will set before the eclipse ends. The East Coast won't see much of it, but the mountain and western states will see it all.

A request from Mrs. Harry Baker that her Girl Scout unit be allowed to take part in the dance instruction offered by the recreation program, in order to obtain merit badges, led to a decision by the board to seek again to have dancing instruction after school hours this winter and to extend an invitation to all Girl Scouts of the joint school area to participate.

The resignation of Samuel Laughman as caretaker at Recreation Park was accepted with regret. Lester Herman, who had been assisting part time in the care of the park, was elected a full time employee. 3 CARS CRASH ON SATURDAY

In an accident on the Tract Road one and one half miles north of Emmitsburg at 10:15 p.m. Saturday night, three cars were involved including a stolen 1953 Mercury station wagon owned by R. Johnston Bittener, of Waynesboro.

An auto driven by Gilmer Glass, 48, of Emmitsburg, traveling north on the Tract Road pulled off the road in front of the Mercury station wagon, which was parked in a ditch with its front end extending out, to see if anyone was injured.

The third car, driven by George Washington Glenn Jr., of Fairfield, was traveling south on the Tract Road when the driver was blinded by the lights of the Glass auto and crashed into the ditched Mercury. The rear of the Glenn car then hit the Glass car, causing a total of \$315 in damages to all three autos. There were no charges filed in the accident by Trooper Earl F. Tracey.

In an accident on U.S. 15 one mile north of Emmitsburg Sunday night at 9:45 p.m., a 1954 Buick driven by Wilbur Roy Topper, 18, of Emmitsburg, was stopped attempting to make a left turn when an auto driven by Vivian Washburn Gardner, 42, of Lockport, Pa., which was going south, hit the right rear of the Topper car, causing a total of \$155 in damages to both cars, Trooper Tracey said.

Out Of The Past

From the Files of the

FIFTY YEARS AGO

Want Pensions For Teachers:

One of the prominent questions being considered by the teachers of Adams county is that of the state teachers retirement fund.

As a result of a movement started by the teachers of Luzerne County, organizations are being effected all through the state in order that public sentiment may be awakened in favor of a bill which will be presented to the next Legislature providing for a fund to support old and worn out teachers. Many of the other states such as Massachusetts, Rhode Island, New Jersey and Maryland have already made provision of this kind. Even in Pennsylvania the law allows but does not require the cities to establish such a fund.

County Has Two Golden Weddings:

On Sunday a happy gathering celebrated the fiftieth anniversary of the wedding of John R. Flor and Mary A. Flor at the Flor home near Fairfield. The bright sun of a cool autumn Sabbath shone on the crowded homestead, while the sunshine of pleasant memories flashed back to the events of 1860, which started fifty years of happy life for Mr. Flor and his helpmate.

Mr. and Mrs. Louis Jordy, of Abbotstown, celebrated the 54th anniversary of their marriage Saturday evening, September 17th. The occasion was made memorable by a gathering of children, grandchildren, and other relatives and friends of Mr. and Mrs. Jordy.

Carriers As Notaries:

Rural free delivery mail carriers in Adams county have been advised that they will have additional duties to perform and an opportunity to earn additional compensation hereafter. In accord with legislation enacted in the last session of congress they have been created notaries public by the United States post office department and are required to execute vouchers for pensioners residing on their routes, for which service they will receive 25 cents for each voucher executed.

\$500,000 For Peaches: It is estimated that more than half a million dollars worth of peaches will be shipped to the city markets from Washington county, Md., this season. Between 600 and 700 carloads will constitute Smithsburg's share. The value of a carload runs from \$300 to \$500, depending upon the quality of the fruit and the state of the market. At an average of \$400 per carload the value of the peaches shipped from Smithsburg alone this season will be about \$260,000, estimating this crop at 650 carloads.

Closing Time: Because of the several frosty nights of last week the closing date of the season at Caledonia will be on Thursday night of this week. Pen Mar had its official close on Sunday.

After Game Violators: It is alleged that the game laws are being violated in the vicinity of Cashtown. Squirrels are said to have been shot recently there. Dr. R. J. Russell, of Hanover, deputy game warden, was ordered to make an investigation and report results to Dr. Joseph Kalbfus, State Secretary. Dr. Russell accordingly spent sometime in that vicinity and will make another investigation at an early day.

Game Postponed: The Gettysburg Elks baseball game with the Harrisburg Elks has been postponed until Friday, September 30, on account of their not being able to use the Island Park grounds.

ON TV SATURDAY

Jean Stapleton, who appeared this summer in the leading role in "Solid Gold Cadillac" at the Totten Pole Playhouse will be starred on NBC's presentation of "Miss Beauty Cream" Saturday noon. She will play a lady executive running a contest for her cosmetic company, the problems and encounters with the contestants.

Today's Talk

GUESTS OF THE OPEN FIELDS
The birds and wild flowers were here before any of us were around, so we can honestly say that we are guests of the open fields—and cordial guests at that.

Dr. George Washington Carver gloried in the fact that he could talk with flowers. He left an example to the world, and proved the genuineness of the spiritual life. At a very early age—as a youth—I came in contact with creatures of the wild, and then to them as friends. Dr. Carver said that he talked with flowers and I believe it!

We are God's guests every day of our lives. How very wonderful. How happy we should be for the privilege of being alive. We can predict our earthly years no more accurately than the crows who chew their cuds and can predict nothing. But man can get many a glimpse of Heaven itself.

Why should any of us conceal what we know—and feel—as fellow human beings? So much is "just around the corner" for us to learn about, speculate upon and cherish in our memory! Every day or so I look about myself to see what I may have lost in perspective.

Tomorrow Mr. Adams will talk on the subject: "Nature—Mother Of All!"

SEPTEMBER
There's a sweater on the sofa, and a cap upon the chair,
A bicycle on the lawn, his skates are on the stair;
I can't get up the driveway for his wagon's in the track,
The house is topsy-turvy, but I'm glad that he is back.

The morning paper's scattered, for he's read the funnies through,
His shoes are on the sofa, and the radio sings anew,
Round the porch from dusk to twilight there's a shouting romping pack
Of lusty, healthy youngsters, but I am glad that he is back.

Oh, the house was strangely silent, and the rooms were trim and neat,
And there's been no shouts of tumult rising upwards from the street,
I could whizz into my driveway at the ending of the day
And never find a wagon or a playing in the way.

But the house shows signs this morning that a healthy boy is here,
The rooms are in disorder, and my tools all disappear,
I cannot find the hammer when I want to drive a tack,
Now the house is topsy-turvy, but I'm glad that he is back.

SMALL CROWD GREET'S TITO ON ARRIVAL HERE

NEW YORK (AP)—Yugoslav President Tito arrived here today and said he will attend the United Nations General Assembly in an effort to ease world tensions.

The Communist leader smiled broadly and waved to greeters. "We come to the United Nations to explain our views on the many problems of the world," he told newsmen.

He was cheered by a group of about 100 persons on his arrival on the liner Queen Elizabeth. The Hudson River pier at which the big liner tied up was guarded by 500 policemen. The precautions were second only to those taken for arrival of Soviet Premier Nikita Khrushchev.

Also on the liner was Gen. Mehmet Shehu, premier of Communist Albania, a bitter foe of Tito.

Looked Tan, Fit

When Tito came down the gangplank, two Yugoslav children presented him bouquets. The 68-year-old looked tanned and fit.

It was raining when the Cunard liner steamed up the Hudson—the same kind of weather that greeted Khrushchev.

Tito got into a limousine and was whisked off to his country's permanent mission to the United Nations on Fifth Avenue—his home while in New York.

There were no pickets or demonstrators when Tito's motorcade arrived at the Yugoslav delegation headquarters.

President Shehu followed Tito off the ship 25 minutes later. He outlined Albania's dedication to "peaceful coexistence."

The general tenor of his statement followed closely those of other Communist leaders who arrived here Monday.

Tito, unlike Communist bloc leaders, may be invited to Washington or to confer with Eisenhower during the President's visit here Thursday.

School Bus Driver Killed In Crash

EASTON Pa. (AP)—A school bus carrying about 30 children collided Monday with a tractor-trailer at a rural intersection near Nazareth. The bus driver was killed and 20 children were injured, apparently none seriously.

The crash occurred as the bus was near the Leibert elementary school in Upper Nazareth Township, about eight miles north of here.

The bus driver, Paul Remaly, of Easton R. 2, was thrown from his vehicle and a wheel of the big rig rolled over him. He died about two hours later in Easton Hospital.

The tractor-trailer, loaded with 20 tons of sand, was driven by Charles C. Wuchter, of Bath R. 2.

KENNEDY ON TV TONIGHT

By MARVIN L. ARROWSMITH
WASHINGTON (AP)—Sen. John F. Kennedy goes on nationwide television tonight to outline how he plans to deal with Soviet Premier Nikita Khrushchev if elected president.

The Democratic candidate, making his first coast-to-coast TV address since accepting his party's nomination in July, will speak at a \$100-a-plate dinner rally here.

The 30-minute program starting at 8:30 p.m., EDT, is scheduled on 180 ABC network stations.

"The theme of the senator's speech," said a Kennedy aide, "will be what he believes America's response to Khrushchev should be—what he believes we must do to build a stronger America abroad and at home."

Kennedy returned to Washington early today after a day of campaigning in Atlantic City, N.J., and Charleston, W.Va.

In Atlantic City he got rousing welcomes and endorsement of his candidacy at separate conventions of two labor unions, the Steelworkers and the Chemical Workers.

In Charleston the senator addressed a cheering audience of about 6,000 in the Civic Center.

GOP ASKS BAN ON RELIGION IN CAMPAIGN

By RICHARD L. GRAVES
HARRISBURG (AP)—The Pennsylvania Republican organization is making an all-out effort to keep religion out of the fall election campaign.

Several county chairmen confirmed they were sent a private memorandum advising them to avoid any appeals for or against a candidate on religious grounds.

The memorandum was dispatched to each of the GOP's county leaders Sept. 12 by George I. Bloom, Republican state chairman.

It said in part: "No candidate and no party should appeal to the public to vote either for or against a man on racial or religious grounds. Both sides of the coin reflect the same kind of thinking."

"Don't Cloud Issue"
"Enlightened public opinion inspired by a sound appeal to responsible judgment, will insure a national victory for our candidates this fall."

"We must do what we can to prevent other factors from clouding the real issues and merits of our outstanding candidates."

With the memorandum were sent booklets printed by the Fair Campaign Practices Committee, Inc., New York, entitled "Fair Play in Politics."

The potential injection of religion into the Pennsylvania campaign has been a matter of concern to leaders of both the Democratic and Republican parties.

TOWARD FINALS

CLEVELAND (AP)—With a victory over Venezuela safely tucked away, America's Davis Cup youngsters were only two matches away today from a crack at Australia's champions.

The Philippines, Eastern Zone champions, and Italy's European victors still stand in America's path—but the U. S. and Australia have reached the challenge round every year since 1938 and are favored to meet again.

Australia, winner over the U. S. eight of the last 10 years, holds a 9-7 edge over the Americans since they started their exclusive matches 22 years ago. None were held during the war.

St. Louis Players
Earl Buchholz and Chuck McKinley, both of St. Louis wrapped up the American Zone title Sunday as they defeated Venezuela's Ivo Pimentel and Marcos Gambus in the doubles, 6-4, 6-1, 7-5.

America had swept the opening singles as Barry McKay of Dayton defeated Gambus 6-1, 6-1, 6-0, and Bernhard (Tut) Bartzten, Dallas southpaw, smothered Pimentel 6-0, 6-1, 6-1. They changed opponents for today's meaningless singles on the Cleveland Skating Club's clay court.

Date and site of the meeting with the Philippines are undetermined, but Capt. Dave Freed of the U. S. netters said it may be in Australia, on grass courts, in November. The winner meets Italy for the right to challenge Australia.

PRINCETON,
RUTGERS PLAY
91ST CONTEST

By JACK CLARY
Associated Press Sports Writer

The scouting report on Princeton-Rutgers probably read something like this:

"Watch out for their left forward, he can sock that ball a mile with his fist, particularly if he gets a shot at it with his right hand. And their center, he's deadly in close to the net with that left foot. The ball goes as straight as an arrow."

That could have been the report on what passed for a football team 91 years ago when the two schools began the fall madcap business of intercollegiate football.

Play 91st Game
They celebrate their now-prosperous child's 91st birthday at Princeton this Saturday in an atmosphere far different than in 1869.

Gone are the handlebar mustaches, leather pants and high necked sweaters, primitive rules and low pressure tactics to win. Now the scouting reports talk of slants, sweeps, decoys and are illustrated in movie film and pages of notes and diagrams.

Even with two schools, stepped in tradition and ivy, but living only 15 miles apart, the desire for victory still is as great as it was when two teams of 25 players each, using a soccer ball and modified soccer rules, faced each other for the first time in 1869.

Tigers Top Winners
Princeton has been the most successful in the series, winning 41 of 48 games. But Rutgers has won the last two years, and rates a slight favorite for Saturday's game.

Back in 1869, the two teams played under rules that forbade running with the ball and prohibited the use of the free kick when the ball was caught. However, the attack of these two ancient was "jazzed up" to the extent that interference could be run for the player in possession of the ball, and allowed catching the ball and hitting it with the fist and hand.

Rutgers won the first game 6-4 and Princeton the second 8-0 a week later.

MARYLAND U.
SENIOR SNARES
GOLF CROWN

By JIM VAN VALKENBURG
Associated Press Sports Writer

ST. LOUIS (AP)—Maryland's Deane Beman, the new U.S. Amateur Golf champion, has enough poise, confidence and competitive fire for two players—but he insists there's no such thing as over-confidence.

The cherubic 22-year-old Maryland University senior took dead aim at the 60th American Amateur title at the start of the week-long marathon tournament and never let up. Beman seldom played a hole safe—he usually defied traps and shot for the pin.

He never had any doubt he would win. He also displayed a killer instinct in his 6 and 4 victory over calm, modest Bob Gardner, a 39-year-old public relations man making his ninth bid for the American Amateur title.

The 5-foot-7 145-pounder from Bethesda, Md., became the ninth amateur in history to win both the U.S. and British amateur crowns. He won the British Amateur in 1959, but didn't defend it this year because of the press of studies.

Won Two Crowns
Beman was five under par for 32 holes on the par 35-36-71 6,616-yard St. Louis Country Club course, in beating Gardner. The lower felt he played much better than the score showed.

"Every time I made a good shot, he cancelled it with a better one," Gardner said.

Beman and three others were selected by the U.S. Golf Association to represent this country in the World Amateur team tournament at Ardmore, Pa., Sept. 28-Oct. 1. The others are Gardner, William Hyndman III of Philadelphia, and Jack Nicklaus of Ohio State, 1959 American Amateur champ.

RAIN CANCELS
1ST DAY PLAY
OF SENIOR GOLF

OSTERVILLE, Mass. (AP) — Mixed emotions have followed the wasted qualifying efforts of half the field as the sixth annual U.S. Seniors Golf Championships make a fresh start today.

Rain washed out the competition at Oyster Harbors course Monday after 62 of the 120 starters already had posted their scores.

Those with scores certain to land berths in the title rounds were downcast while others whose efforts had apparently knocked them right out of the running took heart.

Start Over Again
Weather permitting, they planned to start all over again today with the same lineup.

"It's not too bad. We finished," said defending champion J. Clark Espie Jr., 61-year-old Indianapolis advertising executive, who came in with an assuring four over-par 76. Espie is gunning for his third seniors crown.

But the 70-year-old Chick Evans of Chicago, former two-time National Amateur ruler and one-time National Open king, insisted that playing conditions were too bad to complete the qualifying round.

"It was terrible out there," he said. A balky putter sent Evans' score soaring to an 82 and he was happy when Monday's cancellation gave him another chance.

RED TREATED
AS BIG STORY

By THE ASSOCIATED PRESS

How is the American press treating Soviet Premier Nikita Khrushchev's visit to the United Nations General Assembly in New York?

So far, as a big story. A cross section of newspapers in American cities—small, medium-sized and metropolitan areas—gave the Soviet leader front-page play upon his arrival Monday.

There had been agitation in some quarters for news media to ignore Khrushchev during his stay. Newspapers have been bombarded by letter and telegram—mostly urging the silent treatment for Khrushchev.

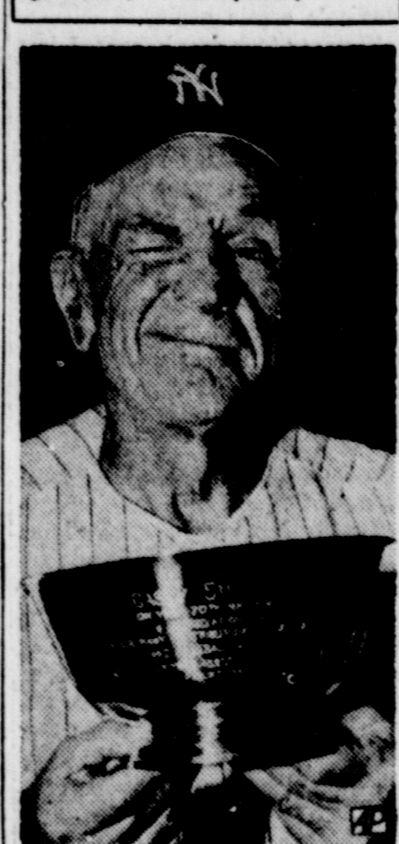

But newspapers and other media countered that the premier's visit was news—whether anyone liked him or not—and that his movements and speeches would be covered. As a free press they could not do otherwise, some newspapers said.

All newspapers checked by The Associated Press in a survey Monday played the story on page one, with many bannerings it as the top story. There was no difference in the play among big, medium or small papers.

The Arctic is also now a tourist resort. It costs \$1,000 a week to live in Eskimos and go with them on seal and walrus hunts.

BUCS' MAGIC
NUMBER IS 7;
FACE PHILLIES

By GEORGE ESPER

PHILADELPHIA (AP) — The magic number for those streaking first-place Pittsburgh Pirates is seven but Manager Danny Murtaugh confided today he won't feel good until there's no magic number left and the Bucs have their first National League pennant in 33 years.

Murtaugh said his biggest problem right now is beating the Philadelphia Phillies in a twin-night doubleheader tonight at Connie Mack Stadium. As he has in the past he declined any predictions.

Bob Friend (16-11), who has beaten the Phillies three times this year, and Harvey Haddix (11-10), who is 1-2 against the Phils, are Murtaugh's mound choices.

Pirates Held Edge
They'll be opposed by Robin Roberts (10-15), who has dropped three games to the Pirates without a win, and Jim Owens (4-12), whose log against the Bucs is 2-2.

"They play good ball against us," Murtaugh said. The Pirates hold the season edge on the Phils 13-7. The clubs meet for the last time.

Asked if he feared overconfidence among the Pirates, Murtaugh was quick to answer no.

"This club takes nothing for granted," he said.

Murtaugh said the Pirates' ability to bounce back all during the season after losing streaks stemmed from the fact "they think they're a good ball club and have proven it. They never think about yesterday's game. It's all ways today."

Thinks Not Of Honor
When it was mentioned that Murtaugh would be among the top candidates for his second manager of the year award in three years, he said:

"I never think of those things. I'm just trying to do a job on the ball field."

Murtaugh was named manager of the year in 1958, his first full season with the Pirates, when he led the club into second place and kept it in pennant contention right down to the wire.

X-Bolt May Earn
Dickinson Berth

CARLISLE—Thomas Bauer, of York, a senior, and Bruce Stair, freshman from Littlestown, are rivals for a starting guard position on the Dickinson College eleven which opens its season October 1 in a home game with the Washington and Lee Generals.

The position is up for grabs by the failure of Millard "Sonny" Shoff, of Hanover, to return to college this fall. Shoff, who would have been a junior, was one of the line mainstays the past two seasons and his loss, in the words of Head Coach Don Seibert, is "a real serious one."

Bauer, one of 18 lettermen on the squad of 40 players, has a slight edge in the duel with Stair because of his greater experience and weight. He packs 190 pounds compared to 180 for Stair.

Stair played on the strong Littlestown High team the past two seasons. His capabilities are well known to Wilbur Gobrecht, the former Littlestown coach and Dickinson athlete, who is Coach Seibert's new assistant this season. Gobrecht, like Seibert, grew up in Hanover.

SPORTS MAG
RECOGNIZES
BULLET SQUAD

Gettysburg College attained a new high in sports recognition when it was included among the nation's colleges in the "Scouting Reports" of Sports Illustrated, largest circulated sports magazine in the country in its current weekly edition.

In addition to an outline of the Bullets' prospects for the 1960 season and its schedule it was accompanied by a photograph of Earl Little, flashy Gettysburg signal caller.

Sports Illustrated's article follows:

"Even with 15 lettermen back, the Bullets will have to do some fancy shooting to repeat last year's second-place finish in a hardened Middle Atlantic Conference. Gettysburg has one advantage—it won't have to play champion Delaware; but Lehigh and Bucknell, the ranking challengers, are trouble enough. Most of the Bullets' firepower will generate from Quarterback Earl Little, a fair passer (37 for 90 passes last season) and a canny play caller and Senior Halfbacks Horace Goodman and Eddie Lucas.

Both runners with good breakaway speed. A paucity of seasoned reserves will put the line on double duty, but there is still hope, especially at end, where slim Junior Harry Richter and Lance Butler are outstanding receivers and able defenders. At guard, small but strong Frank Temme and Wayne Yohe excel. The big weakness is at the tackles, and Coach Gene Haas will have to find some good sophomore strength to backstop starters John Rose and Bill Sarvis.

On Grid Page
"Conclusion: Moving the ball won't be a problem, but the defense is too tight to carry its share of the load, and no help is in sight."

Gettysburg College was also included in this year's Associated Press full page of major college football schedules after being omitted for several years.

U. S. DAVIS CUP
TEAM TO MEET
PHILIPPINES

CLEVELAND (AP) — Three of four players who contributed to the United States team's 5-0 sweep of the American Zone Davis Cup tennis matches from Venezuela are in line for further Davis Cup play.

Barry McKay, Earl Buchholz at least one, and possible as many as three, netters who did not play against Venezuela, will be chosen next month to play the Philippines' team, captain Dave Freed indicated.

The match against the Philippines is expected to be during November in Australia. The winner will meet Italy for the right to challenge Australia, defending champions.

Bartzten Out
Bernard Bartzten, 32, assistant captain, said Monday night before leaving for his home in Dallas that he will not be in the lineup once competition moves to Australia.

"My game isn't suited to the grass courts, and that's the type we'll be on in Australia," the 145-pound southpaw star explained.

Bartzten won a singles match Monday from Marcos Gambus, Venezuela's No. 2 player, 6-1, 6-0, 6-0. McKay then defeated Ivo Pimentel, No. 1, 6-3, 6-3, 6-3.

Other Scores
With the 6-4, 6-1, 7-5 doubles victory that McKay and Buchholz, both of St. Louis, scored Sunday over Pimentel and Gambus and the singles victories of last Friday, the U.S. netters made a clean sweep of the five matches. In the opening singles McKay defeated Gambus, 6-1, 6-1, 6-0; Bartzten, who in 12 Davis Cup matches never has lost, beat Pimentel, 6-0, 6-1, 6-1.

Dick Groat To Play Soon
PITTSBURGH (AP) — Dr. Joseph Finegold, the Pittsburgh Pirates' team physician, said Monday injured shortstop Dick Groat "will be playing within the next week to 10 days."

Dr. Finegold removed the cast from Groat's broken wrist at Presbyterian Hospital and the wrist was x-rayed. Dr. Finegold reported:

"The wrist is beginning to show signs of healing. New bone is forming. The fusion is not yet complete but enough to hold the fragments in position. We will institute whirlpool treatment and exercises immediately. Groat's cast is removed and will stay off. He will begin running and throwing right away and will be able to catch with his injured wrist and lightly swing a bat within the next 48 hours."

The team captain was hit on the wrist by a pitch in a game against Milwaukee Sept. 6.

Palmer Still PGA
Leading \$ Winner

DUNEDIN, Fla. (AP) — Arnold Palmer, Pennsylvania's pride of professional golfdom, still leads the field in prize money won this year, according to the Professional Golfers Association weekly tournament tour standings.

Palmer, of Ligonier, Pa., has played in 23 tournaments, won seven, placed in the first five money spots 14 times and won a total of \$75,706.

Second in money winnings is Ken Venturi, Palo Alto, Calif., with \$44,800. Following up in third spot is Dow Finsterwald, of Tequesta, Fla., with winnings totaling \$41,200 and in fourth place is Doug Ford, Crystal River, Fla., with \$34,000.

DOUBLE CROWN
WINNER SETS
SIX RECORDS

DELAWARE, Ohio (AP)—Countess Adios, winner of two of the three legs of pacing's triple crown, lived up to her trainer's predictions Monday by setting six world records.

The daughter of Adios made her mark in the record books by romping to 1:59 1-5 and 2:00 heat victories in the Breeders Filly Stake for three-year-old pacers as grand circuit harness racing got under way at the Delaware County Fairgrounds.

The Countess thereby upped her season's earnings to \$160,000.

Miller At Reins
With trainer Del Miller at the reins, Countess Adios stormed home for an eight-length victory in the first heat, and her 1:59 1-5 time broke these world records:

1. The 3-year-old pacing fillies mark of 2:00 set in 1955 by Dottie's Pick, also driven by Miller, in a heat of the Little Brown Jug. (The Countess, incidentally, isn't eligible for Thursday's running of the \$70,000-plus Jug here, the third leg of pacing's triple crown.)

More Records
* 2. The 1:59 2-5 record for three-year-old pacers regardless of sex, set last year by Adios Butler in the Jug.

3. The 1:59 3-5 mark for pacing mares regardless of age, set by Belle Acton.

These are the records erased by her two-heat total of 3:59 1-5:

Heat Records
1. The two-heat record of 3:59 4-5 for pacers regardless of age and sex, set in 1958 by Belle Acton.

2. The two-heat record of 4:00 1-5 for three-year-old pacers regardless of sex, set last year by Adios Butler in winning two Jug heats.

3. The two-heat record of 4:00 3-5 for three-year-old fillies, set by Belle Acton in 1956.

TRIO CHARGED WITH FRAUD IN PITTSBURGH

PITTSBURGH (AP) — City Councilman Homer R. Greene and two other men face charges of conspiracy to defraud in connection with Pittsburgh's "no work" probe.

Named with Greene in charges filed Monday by Asst. Dist. Atty. Peter Flaherty of Allegheny County were:

C. Raymond Lappe, assistant superintendent of properties in the city's Department of Lands and Buildings, and Lawrence Martin, a Pittsburgh contractor.

Greene also was charged with misdemeanor in office and Lappe and Martin were charged with false pretense.

Greene, a Democrat, was elected to City Council last January. Before then, he spent 14 years as director of the Lands and Buildings Department. The charges against him stem from his activity in the latter position.

Flaherty contended the city was cheated out of about \$11,000 during a one-year period ending last January by paying for repair work that was not done or that was only done in part.

The work involved repairs on property seized by the city for delinquent taxes, Flaherty said.

Greene was accused of knowingly and wilfully authorizing payments for such fraudulent work.

2 STATE MEN DIE IN CRASH

WASHINGTON (AP)—The Army and Navy Monday reported that two Pennsylvanians were killed in a World Airways Transport crash on Guam.

Listed as dead by the Army was Sgt. George W. Johnston Jr., son of George W. Johnston Sr., Blairsville, and Mrs. Clara K. Cunningham, Springdale.

The Navy listed as dead Radioman-Seaman William D. Brennan Jr., son of Mr. and Mrs. W. D. Brennan Sr., Allentown.

Listed as missing by the Army were T. Sgt. Edward A. Dick, who listed as the next of kin Mrs. Helen Barrett, Shamokin, and T. Sgt. Robert C. Ashbrook, son of Mr. and Mrs. H. Ashbrook, Beaver, and grandson of Ralph Thornhill, Ellwood City.

DICK PLEDGES HELP TO HARD COAL REGIONS

By RALPH BERNSTEIN

SCRANTON, Pa. (AP)—Richard M. Nixon swept into the heart of the eight-county northeastern Pennsylvania anthracite belt Monday, promising the areas' half-million residents help for their economic distress if he is elected president in November.

Nixon and his attractive wife, Pat, apparently undismayed by a pelting rain which greeted their arrival at the Wilkes-Barre-Scranton Airport, were cheered by a police estimated crowd of 35,000 in their travels through Luzerne and Lackawanna counties.

The vice president lost little time in striking at the heart of the issue in this Democratic stronghold. Here, where people are out of jobs, he asserted:

20,000 In Rain

"If I have the opportunity to send a message to Congress next year the distressed areas problem will be given the highest priority."

The Republican presidential standard-bearer told an estimated 20,000 persons standing in a steady downpour at Wilkes-Barre that as he entered the city he noticed a billboard saying, "Vote Democratic. The Democrats care."

An umbrella held over his head to protect him from the rain, Nixon then said:

"If they cared about Wilkes-Barre, about the depressed area conditions here, they would not have played politics with that issue. They would have thought of the people. And we would have had a bill that would have done something about it."

Nixon explained to a crowd in

the Scranton Armory, estimated by police superintendent Leo Rudy at 9,000, why he chose to make his first Pennsylvania campaign appearance in the Scranton-Wilkes-Barre area.

"Back on Feb. 12, 1947, as a new congressman, I made a Lincoln Day speech here. It was my first invitation to speak outside of my home state of California. I appreciated that. I never have forgotten it."

Nixon was accompanied on his invasion of the coal country by Sen. Hugh Scott, (R-Pa.), and Secretary of the Interior Fred A. Seaton. Scott and two other Pennsylvania congressmen, Representatives Ivor Fenton and James Van Zandt, are authors of the Republican bill to aid depressed economic areas.

The Nixon party arrived at the airport—equal distance about eight miles from Scranton and Wilkes-Barre—about an hour late. He explained the takeoff had been delayed at the Washington Airport when one of the planes carrying newsmen developed engine trouble.

A crowd estimated at about 1,000 waited patiently behind a wire fence for the Nixon's arrival. They waved signs saying: "Compare Nixon's brain with Kennedy's mouth," "Welcome Dick and Pat," "First choice for first lady, Pat Nixon," "Checkers for the White House, arf, arf." The Checkers sign referred to the Nixon's dog.

FATAL ACCIDENT

KITTANNING, Pa. (AP)—A crash of a coal truck and a car on Route 66 near here Monday killed one man and injured three others.

Killed was James Galbraith, 26, of Kittanning R. 5, driver of the car. Walter King, 37, of Ford City R. D., and Edward Kirkwood, 34, of Monroeville, were admitted to Armstrong County Hospital. They were passengers in the car.

KHRUSHCHEV'S U. N. ADDRESS MAY BACKFIRE

By WILLIAM RYAN

UNITED NATIONS, N.Y. (AP)—Nikita Khrushchev's decision to speak at the United Nations General Assembly session may turn out to be a Soviet political blunder. Much depends upon how U.S. and Western policy reacts to Khrushchev's maneuvers.

Khrushchev apparently has several objectives in mind in his pilgrimage to the big glass house on the East River.

One objective is to pin blame upon the United States for the world's fears of global nuclear war. A second is to seal off the United States from emerging nations of the under-developed world. A third is to create frictions among America's allies.

Tension Easing

An immediate objective is to convince the world that what Khrushchev calls "Soviet initiative" with respect to his visit can bring about tension-easing negotiations at top level—in effect, a world summit.

With regard to the first three objectives, Khrushchev already has sustained reverses. His arrival in New York throws a spotlight on a serious clash in the U.N. between the Communist bloc and the Asian-African nations over U.N. efforts to bring order to the Congo.

Khrushchev's arrival throws into bold relief the Soviet role in keeping alive a dangerous spark in the heart of Africa. African realization of the Soviet role could negate much of the gains the Russians have rolled up in recent years in their attempts to convince leaders of under-developed nations of their pure intentions.

Soviet Aims

Russian efforts to nail down Communist influence in Africa's strategic heartland raised fears that the chief Soviet aim there was to sustain sources of chaos and confusion. They funneled arms into the Congo, and they attacked U.N. Secretary-General Dag Hammarskjöld's efforts to restore order, blasting him as an agent of "colonialism."

The Russians vetoed a Ceylonese-Tunisian resolution in the Security Council for Hammarskjöld to continue his efforts to resolve the Congo crisis. But the Russians received a jolt.

Seventeen African and Asian nations, some of which had been at least anti-West on previous issues, raised a new resolution in the General Assembly, supporting Hammarskjöld and asking all nations to refrain from sending military supplies to the Congo while the U.N.'s 18,000 troops were there. This resolution got overwhelming support.

The POWER of FAITH by Howard Brodie

"It is by his example, rather than his works, that he has exercised an influence on civilization, and that he deserves a place to himself amongst the men who have ennobled humanity."

Lamartine

Bernard Palissy, a 16th Century French potter, was so enthralled by a specimen of Chinese porcelain that he worked for 16 years to discover the secret of its manufacture. Impoverished and with a family to support, Palissy struggled through his experiments without pay, even burned his furniture to keep his kilns going.

Palissy never found the secret of making Chinese porcelain, but his devotion to his art made him the greatest potter of his age and enabled him to create objects that are treasured in museums today.

This devout Huguenot firmly believed that "the talents a man has received from God, he should endeavor to multiply, following His commandment."

Faith of such caliber enabled him to face an even greater test later in life. At the height of his career, when he was patronized by the royal court and named "inventor of rustic pottery to the king and the queen-mother," Palissy suddenly found himself imprisoned for his faith. The king said he was compelled to turn him over to his enemies and pleaded with him to compromise his beliefs.

"It is rather I that should pity you, who utter such words as these 'I am compelled,'" answered Palissy. "This is not the language of a king, and neither yourself... with all your people shall compel me."

The potter was mightier than the king.

years ago September 20, 1957.

Three sad and lonely years have
passed
Since our great sorrow fell.
The shock that we received that
day
We still remember well.

As we loved him, so we miss him.
In our hearts he's always near.
Loved, remembered, longed for
always,
Bringing many a silent tear.

MOTOR GROUP HEAD CRITIC OF POLICE PLAN

HARRISBURG (AP) — Use of non-uniformed troopers and unmarked police cars in a new state crackdown on speeders has drawn criticism from a leading motorists' organization and an immediate defense from the state police commissioner.

C. E. Pugh, general manager of the Pennsylvania Motor Federation (AAA), and Col Frank G. McCartney outlined the opposing positions in separate statements Monday.

Pugh said state police should put more men on patrol duty instead of relying on periodic crackdowns to curb traffic violations.

Called "Unnecessary"

"Crash programs involving officers out of uniform in unmarked cars patrolling predetermined stretches of highway accomplish only temporary results," Pugh said.

He added that "such deceptive enforcement methods are unnecessary" and that the vehicle code "already has provisions to take care of dangerous driving practices, if there is adequate and strict enforcement."

McCartney replied:

"The state's criminal code has adequate provisions for theft and murder, but the laws themselves do not prevent the commission of these crimes. The fact that the vehicle code outlaws excessive speed does not seem to prevent excessive speed on the highways."

McCartney said people will be deterred from breaking laws only "by the high probability of their being apprehended in the violation and subsequently punished."

He said plain clothes officers are as vital in traffic law enforcement as they are in enforcing criminal laws.

McCartney, on orders from Gov. Lawrence, recently directed his men to wear plain clothes and drive unmarked vehicles, even small trucks, in a crackdown on speeders, particularly reckless truck drivers.

Pugh suggested addition of more patrols and the use of civilians to relieve troopers from desk jobs. He said the resources of the new state police training academy at Hershey are not being used to the fullest.

East Berlin MRS. JACK MILLER

EAST BERLIN—The East Berlin unit of the Bermudian Springs School System will sponsor a Look Magazine sales campaign beginning Wednesday. Profits from the campaign will be for the benefit of the students. Persons living outside of the school district may subscribe for the magazines. Assemblies will be held during school hours to boost the selling spirit of the students. Campaign managers, selected from the Senior class, are Thomas Doherty and John Lerew. Captains selected from each grade are: 12th grade, Sally Black; 11th, Donna Jacobs; 10th grade, Bonita Scheib; ninth, James Eschelman; 8-A, Jack Detlinger; 8-B, James Jacobs; 7-A, David Myers, and 7-B, Barbara Anderson.

At the meeting of the VFW held Thursday evening at the post home, George Myers, of town, gave a report on the national VFW convention held at Detroit, in August. Myers attended the convention four days. President Gene Swartz presided.

Sixteen members of the East Berlin Fire Company held their monthly meeting recently with President Melvin Eisenhart presiding. Five new members were introduced as members: Wayne Lau and Bernard Smith, East Berlin; Lloyd "Mike" Jacobs, Guy Shellman, Hampton, and Richard Oernan of York. Bills from the carnival were ordered paid.

The Ambulance Club will meet this evening at 8 p.m. in the fire engine house, Locust St.

Mr. and Mrs. Richard Olson, Miami, Fla., visited Thursday with Mr. and Mrs. Monroe Anthony, East Berlin R. D.

The Ladies' Auxiliary of the VFW, Richard J. Gross Post, held their regular meeting Wednesday evening with President Ruthetta Stambaugh presiding. She announced the following district appointments from the East Berlin auxiliary: Ruth Moul, Adams County deputy chief of staffs; Lois Baker, Adams County publicity chairman, and Mary Baker, gift fund and advisory committee chairman.

A teen-age dance will be held Friday from 7:30 to 10:30 o'clock with Edith Gordon, Treva Chronister and Margaret Eisenhart as chaperones. A membership drive, which is held annually, will start with a district membership meeting in Gettysburg on September 25 at 2:30 p.m. Two dollars was donated by the auxiliary to both the department canteen book fund and to the district Mt. Alto visit.

Mrs. Pat Fissell was appointed to be in charge of the extract sale. The next meeting will be held September 28 at the post home at 8 p.m. followed by a white elephant sale.

BRENDAN WAS DRUNK WHEN HE MET WIFE

Adv for pms Tuesday Sept. 20 By JOY MILLER AP Women's Editor

NEW YORK (AP) — Yes, there is a Mrs. Brendan Behan. But she's not the mousy little woman you might expect to find married to a roaring Irishman like the playwright of "The Hostage."

Beatrice Behan is a slim, dark-haired girl with a twinkle in her gray-blue eyes and an easy manner that's sometimes devastating in its matter-of-factness. She is as offhand about her husband's past peccadilloes as she is unimpressed by the flurry over his play opening tonight on Broadway.

Some Digs At Yankees

"But it's a terribly entertaining play," she says. "The English loved it, in spite of the digs. Americans will get a few digs too. We'll see how they like it."

Five years ago they were married: Beatrice French-Salkeld from one of Ireland's prominent families, daughter of a well-known Dublin artist and a painter herself; Behan an ebullient housepainter with a flair for words, drinking bouts and getting jailed for outlawed Irish Republican Army activity.

It's a happy marriage, she says. "We've had our ups and downs, but everyone has that. He's very agreeable, very entertaining. Of course, he gets excited over things, and sometimes I get the backwash of it. I understand it. He always says later he's sorry, that he has to let off steam."

Feels Better Now

She is glad Brendan's on the wagon now because he feels so much better. But maybe they'd never have met if he had been a sober youth.

"It was back in the '40s," she recalls. "I was 17, still a schoolgirl, and he was 20 and just out of jail, painting a pub. My father is also fond of the gangle, and he met Brendan at the pub. The two drank until it closed, then father brought him home. I remember he didn't seem drunk, just quiet. He says I was very impolite to him. He had a moustache at the time. He always denies it, but he had."

First Play Flopped

Did romance blossom then? "Oh, he was in jail for the next four or five years. Later we met again at parties. He took me to the races in December. We were married in February 1955 and went to Paris on our honeymoon. It was very cold, but still we had a very good time."

They came back to a Dublin flat, where he wrote "The Quare Fellow." It was a success in London's East End, but in the important West End it lasted two months.

"The Hostage" was written in Gaelic in 12 days while they were living in Spain's Balearic Islands. "Brendan hates winters at home." This time his play was a West End success with a year's run.

DEL. VOTERS GREET ROCKY

DOVER, Del. (AP) — Delaware Republicans gave a warm reception to New York's Gov. Nelson A. Rockefeller Monday as he helped them kick off their 1960 election campaign.

Rockefeller spent about four hours in the state. He held a brief press conference at Dover Air Force Base, shook hands with some 300 persons in Dover and addressed a sellout crowd of 849 at a rally in nearby Camden.

The New York governor plugged the party's national candidates and its Delaware ticket, especially Gov. J. Caleb Boggs, nominee for the U. S. Senate.

Rockefeller predicted a GOP victory in his home state. "We're going to take care of New York," he told party leaders who greeted him at the air base. "What we want is for you to take care of Delaware."

Rockefeller said the November don's East End, but in the important West End it lasted two months.

"The Hostage" was written in Gaelic in 12 days while they were living in Spain's Balearic Islands. "Brendan hates winters at home." This time his play was a West End success with a year's run.

Students Invite Red To Rutgers

NEW BRUNSWICK, N. J. (AP) —The prospect of Soviet Premier Nikita S. Khrushchev speaking at Rutgers University has touched off a controversy extending from the campus to the legislature.

It all started when five undergraduates asked the State Department for permission to invite the Russian leader to visit the university.

The students did it, they said, because they simply wanted to learn first hand how Khrushchev feels about current issues.

Edward Cumberly, Student Council president and one of the five, said the students wanted to hear the Russian "so we could better understand what we are up against."

election probably will be the most important ever held in America because of "the decade of danger" ahead.

SAY ENGINE DIED BEFORE GUAM CRASH

AGANA, Guam (AP) — A survivor told today of signs of engine trouble on takeoff minutes before a World Airways transport crashed into Mt. Barrigada killing 78.

Aviation-seaman William P. Baxter of Nashville, Tenn., who Monday rescued three Chinese officers from the flaming wreckage, talked with newsmen at a Guam hospital.

"I told my seating companion something appeared wrong with the engine. Within a couple of minutes I felt several jolts and the next thing I knew I was about 10 yards away from the plane with the plane seat under me."

An Engine Died

Just before takeoff, Baxter said, the man next to him—whose name he didn't know—remarked that one of the DC6B's four engines died.

With Baxter at the informal press conference was Edgar W. Schwoyer of San Leandro, Calif., the navigator and the only surviving crew member. Both received cuts and bruises.

The day was clear and there was no fire before the impact, Schwoyer said.

S'xteen Survived

The navigator broke a cockpit window and climbed out. "There were several violent explosions and a vicious fire," he said.

Baxter said he got up from the ground and ran into the plane.

"There were a bunch of people trying to get out. They were all panicky and I told them to calm down but they wouldn't listen to me."
